

📌 Invitation: Reducing Plastic, Enhancing Sustainability: Smart Solutions for Every Business

Are you struggling with **plastic waste reduction**, **rising sustainability demands** or compliance with sustainability regulations? We invite you to an exclusive event where you'll gain **practical approaches to reduce plastic waste, improve sustainability, and stay ahead of regulations with cost-effective solutions** —without disrupting your operations.

Why Attend?

- ✅ **Reduce costs** by optimizing plastic use in your business
- ✅ **Stay ahead of sustainability regulations** and make compliance easier
- ✅ Get **exclusive access** to the **BALTIPLAST Inventory Tool & BioRADAR Implementation Scorecard** to track and reduce plastic waste
- ✅ Hear from **industry experts** and businesses already making an impact
- ✅ **Network** with like-minded professionals and sustainability leaders
- ✅ Engage in **hands-on activities** and leave with **ready-to-implement strategies**

📅 **Date:** 2nd April 2025

🕒 **Time:** 14:30 – 18:00

📍 **Location:** Onsite: Forum Finkenau, Bldg. B, Rm. E001, Finkenau 35, 22081 Hamburg | Hybrid Event

🔗 **Register Now:** <https://forms.office.com/e/5sFKs6LyLe>

i Note: The event will be conducted in **English**, but **German language support will be available**.

This event is an initiative organized by the BALTIPLAST Project, and participation in the event is free of charge.

Don't miss this chance to turn plastic waste challenges into business opportunities! 🚀
